2013-2017

## Skills

### Professional

- Communication
- Teamwork
- Problem Solving

### Technical

- Data Analysis
- User Testing
- Figma
- Sketch
- Adobe CC

## Profile

I'm a sociologist turned UX/UI designer. My background in social & behavioral research provided me with the data-analysis and interpersonal skills and skills I need to build beautiful data-driven designs.

## Work Experience

2021-2022 Specialist II, Visual Arts & Design  
Department

Salt Lake Community College

- Advised and recruited students based on current trends and degree requirements
- Managed data regarding employee time entry.
- Provided written text and administrative support.

2021 Digital Production Artist (Temporary)

Remedy Intelligent Staffing/Cricut

- Worked in a team to edit a large number of digital images to ensure proper format for the Cricut craft machine
- Utilized Adobe Creative Cloud to ensure that digital artwork was in a format suitable for the Cricut.
- Selected as a part of a small group of individuals to participate in user testing of new software.

2020-2021 Office Assistant

Sociology Department, University of Utah

- Wrote articles and materials for the Sociology newsletter and webpage
- Communicated with faculty virtually to update syllabi, conduct orders, and miscellaneous tasks.
